Info

Delight in the details.

Intelligent features and comfort-forward amenities make every moment on the road special, while the muscular yet refined exterior looks right at home beneath the stars and the city skyline.

Interior Technology Exterior

Info

1794 Edition

The 1794 Edition's luxurious Saddle Tan interior features leather trim and real American Walnut wood-grain trim. A open-pore finish highlights the natural beauty of the grain.

Second-Row Seating

Sequoia's size speaks for itself. With second-row bench seats that make room for up to eight, or available captain's chairs that seat up to seven, the whole family can enjoy plenty of space.

Well-Appointed Seating

Heated front seats and available heated and ventilated first- and second-row seats. Available semi-aniline and available semi-aniline leather-trimmed seats reflect the care dedicated to every drive.

Third-Row Seats and Cargo System

Easily fold down the power third-row seats and slide them forward or back to accommodate passengers or cargo. Stay organized with the durable cargo shelf system that lets you bring along even more.

CAPABILITY

Unleash a towing titan.**Built for Strength**

Sequoia's body and frame are made of lightweight and high-strength materials, which make it strong enough for adventures on and off the road. With the available TRD Off-Road Package, you've got the strength and balance all built into one smooth and confident drive.

**BEYOND ZERO**

Beyond Zero is our vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to create a better world. The Hybrid EV Sequoia is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

Hybrid EV
Sequoia is a part of the Hybrid EV Family.

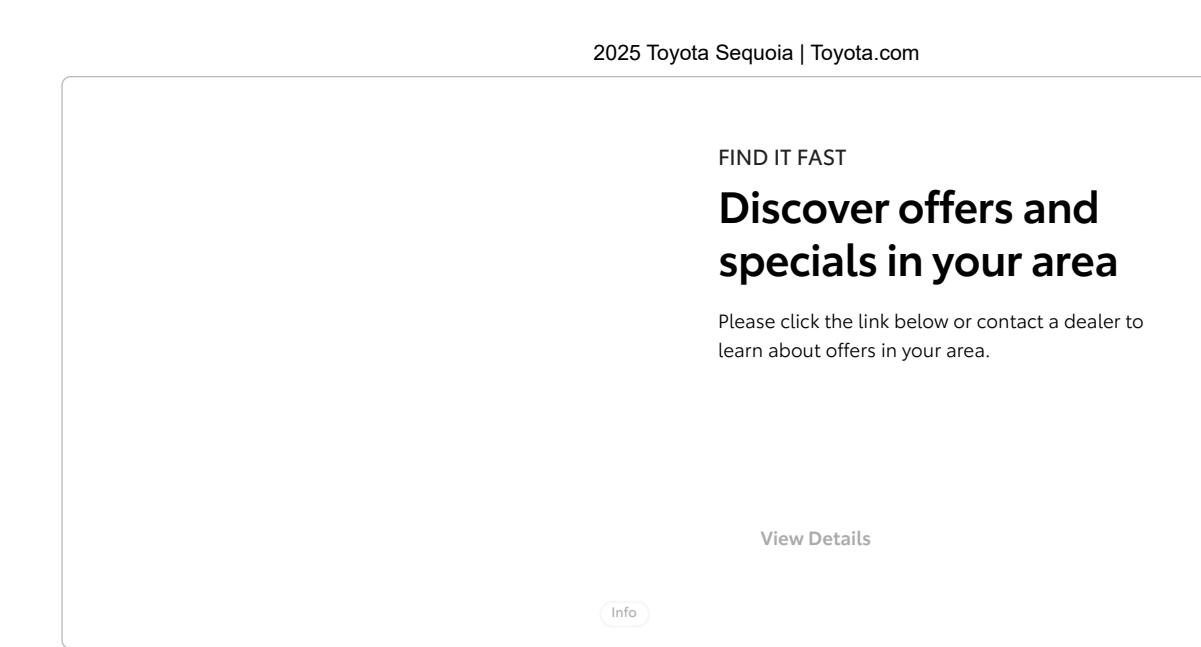

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.
