Info

Advanced Rear-Seat Reminder

Sienna's Advanced Rear-Seat * technology may detect certain motions consistent with an occupant's presence in the second or third row. This may trigger various alerts and notifications after the vehicle has been turned off and locked.

LATCH

Sienna offers up to five LATCH (Lower Anchors and Tethers for Children) locations for an added measure of safety with car seats for smaller family members.

Available 12.3-In. Digital Gauge Cluster

Put Sienna's vitals right in front of you for easy access. Keep track of real-time driving data, turn-by-turn directions, safety information and alerts—all while keeping both hands on the wheel.

Split & Stow 3rd Row® Seats

Make room for more friends, more stuff or both. Sienna's 60/40 One-Motion-Split & Stow 3rd Row® seat easily folds down so you can configure the space in the back to meet the day's needs.

Beyond Zero is our vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to create a better world. The Hybrid EV Sienna is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

Sienna is a part of the Hybrid EV Family.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

The Power of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.
