DESIGN

The new face of adventure.

The 2025 4Runner merges top-of-the-line engineering with elements of its beloved heritage for an elegantly rugged design that's more than beautiful; it eases your journey at every turn.

PERFORMANCE & CAPABILITY

Confidence to push boundaries.

Our most capable 4Runner is your advantage on the most ambitious treks. With up to 326 net combined horsepower beneath the hood and an available Stabilizer Disconnect Mechanism (SDM) that offers extra suspension articulation for wild trails, 4Runner is up for the challenge.

TECHNOLOGY
Smarter at every turn.

4Runner is ready to get you going. Filled with tech to enhance your drives,
4Runner will always keep you at the helm of adventure.

Power Rear Window

TNGA-F Chassis

4Runner features a power rear window, a signature element found across all generations of 4Runner. This rear glass retracts and lowers with the push of a button, making it easier to load your gear from the cargo area.

Tumble Fold Rear Seats

Folding the tumble fold rear seats gives you quick and convenient access to the cargo area, so loading and unloading gear is a breeze.

Hands-Free Power Liftgate

14-Speaker JBL® Premium Audio w/Removable Speaker

The available 14-speaker JBL® Premium Audio system makes you feel like you're in the front row of a performance even when you're off-road. And when you arrive at your destination, simply bring the JBL® FLEX portable Bluetooth® center speaker with you to enjoy phenomenal audio in the open air.
