BEYOND ZERO

Beyond Zero is our vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to create a better world. The Hybrid EV Grand Highlander Hybrid is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

Hybrid EV

Grand Highlander Hybrid is a part of the Hybrid EV Family.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

The Power of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.
